Subject Warning Notice Litigation
Consent Judgment--Final Draft

Attached is a new draft of our proposed Consent Judgment, marked "PW DRAFT 12/11/78," which is the result of the drafting session held here last Friday. (A new draft Schedule B, on POS material, is being produced separately by the POS subcommittee.)

This new draft of the judgment reflects all the comments previously received and represents our current proposal in negotiations with the government. It is being supplied to Dollinger (Weisberg's successor) and Boyle, in preparation for the next negotiating session. That meeting is scheduled to be held here, this Friday, December 15, at 10:00 a.m.
